6. Create a frame like below.

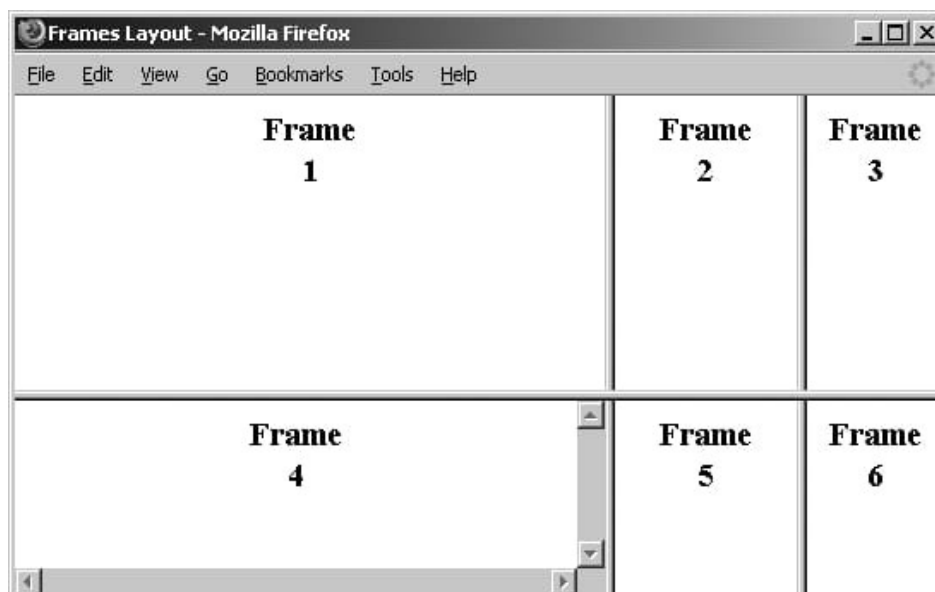

7. Create a frame like below:

8. Create a frame like below:

9. Create a frame like below:

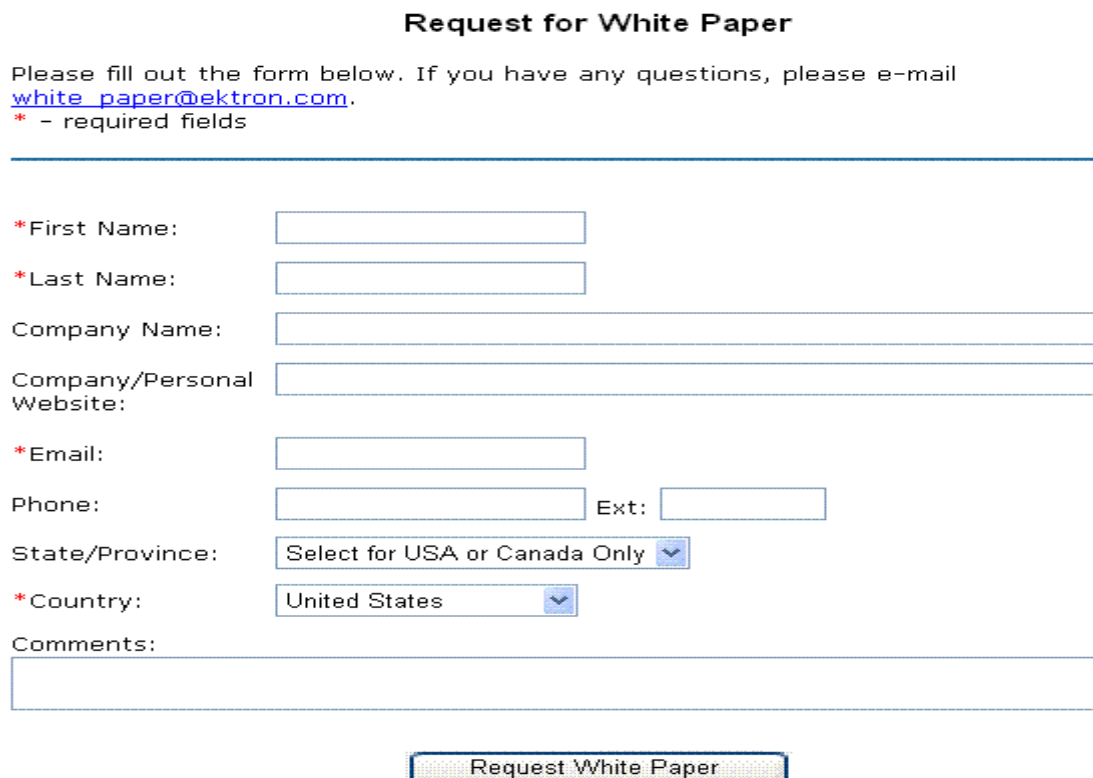

10. Create a frame like below:

Make an appropriate link to Login, Home, Activities, and About Us Pages. Set a target to the third frame and open all links in this section.

The screenshot shows a web page for GLS University. At the top, there is a blue header bar with the GLS University logo on the left, the text "GLS (I & RKD) Institute of Computer Application" in the center, and "(BCA College)" and "NAAC Accredited" on the right. Below the header, on the left, there is a vertical menu with links: "Login", "Home", "Activities", and "About GLS". In the center, there is a login form titled "Login Page" with fields for "User Name:" and "Password:", and "Login" and "Clear" buttons. At the bottom right, there is a blue footer bar with the text "This is footer".

11. Create a form like below in frameset like below.

The screenshot shows a form titled "Request for White Paper". Below the title, there is a paragraph: "Please fill out the form below. If you have any questions, please e-mail white_paper@ektron.com." followed by a note: "* - required fields". The form contains several input fields: "*First Name:", "*Last Name:", "Company Name:", "Company/Personal Website:", "*Email:", "Phone:" (with an "Ext:" field), "State/Province:" (with a dropdown menu showing "Select for USA or Canada Only"), "*Country:" (with a dropdown menu showing "United States"), and "Comments:". At the bottom, there is a button labeled "Request White Paper".
